A WONDERFUL EFFORT

Congratulations to our girls hockey team on their outstanding sportsmanship and wonderful effort!

Last week the girls played an exciting match against Bathurst Small Schools. The game was closely contested and really could have gone either way. Unfortunately for us we were defeated on this occasion. The girls can hold their heads high and be very proud of themselves; they put together some excellent passages of play, both individually and as a team.

A special mention and thank you is extended to the girls who happily volunteered to play despite having either never played, or having been out of the game for a while. Without you we would not have been able to field a side.
