SEMESTER ONE REPORTS 2014
School Reports from Kindergarten to Year 6 will be sent home during Week 3 of Term 3. This is because Term 2 is much shorter than usual this year and the teachers will be observing and assessing our students up to the last week of this term. This allows for a full semester overview of learning.

Parent Interviews will occur during Week 4 of Term 3. Teachers look forward to discussing your child’s progress and areas where there is need for improvement with each of you then.

MATH-E-MAGICAL DAY
Last Thursday’s Math-e-Magical Day was an outstanding success with students and staff involved in a range of exciting activities during the day.

A special thank you to our Maths Team for organising the day and to our students for collecting sponsorship.

SCIENTIST IN SCHOOLS PROGRAM
Last Tuesday, 3rd June, 5/6K had two visitors from Scenic World to talk about rainforests and the amazing plants in them. There were three activities. One was testing the DNA of fruits like strawberries and bananas, the second one was drawing ways to live on the canopy level of a rainforest and the last activity was looking at carnivorous plants and testing how they all react differently. It was great! We had a lot of fun.

The Scientist in Schools Program is a CSIRO/Australian Government joint initiative established in 2007. It partners local scientists with schools to encourage students to be engaged in various areas of science and even consider this area as a career choice.

MUSIC PROGRAM
Our music program has been slightly re-arranged for the last few weeks of this term as Mrs Trounce is working with 4B during this time. Mrs Trounce has made arrangements for recorder to continue for each class and she will also teaching her instrument and band classes as per usual.

PAYMENTS TO SCHOOL OFFICE
If it is at all possible, we ask that any monies to be paid to the school through the school office are made before 1.30pm please. Our staff are required to carry out the banking and arrange for security pick ups after this time.

Lithgow Public School only accepts cash and cheques.

Have a great week! Kerry Griffiths
