MATH-E-MAGIC PROBLEMS OF THE WEEK—ROUND 5
Answers from last week:

Stage 1
The same amount of time—3 minutes

Stage 2
1 - 1/2 - 1/4 = 1/4; Jane’s brother ate 1/4 of the pizza

Stage 3
Since 2 peaches weigh the same as 10 strawberries, 1 peach weighs the same as 5 strawberries. Therefore, 1 banana’s weight is the same as 9 (14 – 5 = 9) strawberries.

Last chance! Simply solve your stage problem on a special piece of paper and hand into your teacher by this Friday, 6th June to enter and win!

BOYS HOCKEY
On Tuesday 6th May, the Lithgow Public School Boys Hockey team hosted Bathurst Small Schools in Round One of the knockout. The game started with both teams showing great skills in both attack and defence. With scores locked at nil all at half time our boys again came out in the second half again showing grit and determination. Bathurst Small Schools broke the deadlock with just 10 minutes remaining in the game. The final score being Bathurst Small Schools 3, LPS 0. It was a great effort all over the field from the our boys.

Congratulations must go to Riley Hudson and Luke Abbot for being selected to attend WSSA team selections.

A huge thank you goes to Dee Sutton for umpiring and Penny Hudson for running the tech bench.

The Boys team consisted of Riley Hudson, Luke Abbot, Donny Peters, Liam Gambrill-Wilkinson, Tyrone Hall, Callum Willoughby, Kody Humby, Gallen Lothian, Alex Hudson, Blade Grant, Kade Inwood, Sam Doran, Reilly Keen, Alex Stait.
