From the Principal

An important reminder for all families regarding our Emergency Snow Procedures.

Following consultation with our Work Health and Safety consultant and the P & C, we advise that in the event of a snow emergency ALL children will remain at school until the end of the day.

We will not send our students on early buses, as the school has no idea whether there will be a parent/caregiver at home to meet them. It has been decided that children will be safer remaining at school where they can be cared for.

You will need to collect your child/children from Lithgow Public School. You may also send a written consent letter with an emergency contact person who may collect your child/children on your behalf.

School Procedures for Snow Emergency

- An SMS will be sent to parent/carers mobile phone stating that snow procedures are to be implemented.
- Further information will be posted on Lithgow Public School Facebook page as required.
- It is a parent/care responsibility to ensure your contact details are up to date.
- All students including bus travellers in and out of town and walkers will be kept under supervision at school until a parent/care can collect them. A staff member will remain on duty until ALL children are safely collected.

Uniforms

Although the weather is cold we remind students that school uniform is still required. Our uniform shop is open from 2:30pm-3:30pm every Monday, Wednesday and Friday for uniform requirements.

Have a great week!

Simply bring in an envelope to the school with money inside and the title(s) of DC’s books on the front of the envelope.
The Police Station

We went to the Lithgow Police Station on Wednesday. The Policeman took us on a tour. We saw the cells. Next we saw a police car. I ran and the policeman checked how fast I ran. I had a turn to sit in the police car. I liked the Police Station.
